DAILY WORD SERVICE

The Daily Word was first published in July 1924 and is now read in 150 countries and translated into six different languages. With this service, we celebrate nearly 100 years of prayerful affirmation and exploration of our spiritual natures. Enjoy drumming and ceremony with us on each solstice, each equinox and the fifth Wednesday of the month.

If you can't join us on Sunday morning, re-center with us on Wednesday evening.

7:45 PM – 9:00 PM

CLASS

On many Wednesday evenings throughout the year, we will continue with various classes. All are welcome to stay for the class!
