

## Adult Ed Report - 2014

I have become aware that Julie Miller doesn't count all the things I have been putting on my spreadsheet as Adult Ed. I have reported all the events that I have organized/been responsible for.

I continue to find the position fun and creative so unless asked to step down, will be glad to continue as adult ed coordinator for 2015.

Ann Mongeau

Date	Event	Presenter	# attendees	Total \$	Paid to Presenter	Paid to UNSC
