Sunday Morning Music Director: Rich Miller

Report date: October 12, 2014

Accomplishments:

- Gmail calendar created that includes both Audio & Music schedule & contact information for each Sunday.
- Sunday morning Bulletin modified to help guest musicians provide appropriate music at the appropriate time.
- Audio & Music schedule posted in the office (Thank you, Darlinda!).
- Auditions have been conducted to augment musician pool.

Future Plans:

- Simplify audio information into a step-by-step quick reference guide for the audio crew.
- Augment the audio crew with additional resources.
- Work with the administrative assistant to add a few additional songs to the UN Songbook.
- Organize a book of music notation containing established "Program" selections. This will facilitate easy access for all musicians to be able to perform the songs that are regularly part of the services.
