Join us for a brief investigation of some of Jesus' parables to understand more of his teachings and what they mean for us today.

- Discover the 4 methods Jesus used to teach.
- Explore the types of parables and their meanings.
- Delve into the nature of His "Kingdom" message.
- Learn how to metaphysically interpret a parable.
- Find the parables that are relevant for you today.

Through teachings, discussion, exercises and meditation, we will deepen our awareness of the central message that Jesus came to convey. It is a universal message that still carries great import in both the present and the future.
