

Discover Your Divinity

with Rhonda Italiano

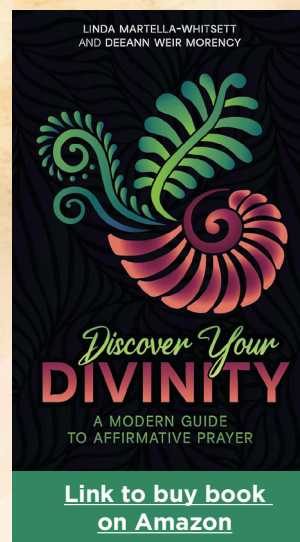

Mondays, Jan. 12 thru Feb. 9 (5 weeks)
7:00PM – 8:30PM | on Zoom!

Charles Fillmore, co-founder of the Unity movement, was all about practicality. In order to be useful, something had to make a positive impact on his life. In fact, Unity is often referred to as Practical Christianity. This study will offer practical applications for affirmative prayer. If you have been around Unity for a while, you have probably heard about affirmations and denials.

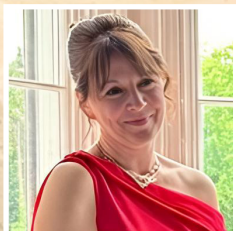

The authors of this book have spent over 20 years studying the original teachings of New Thought and Unity practitioners. In sharing their stories and their insights, Linda Martella-Whitsett and DeeAnn Weir Morency take us on a journey through the evolution of affirmative prayer in their lives.

In this class you will:

- Journal and discuss different aspects of affirmative prayer.
- Uncover thoughts that may be working against you.
- Discover beliefs that may be preventing you from manifesting the life you want to live.
