David sheds light on history's greatest deception, based on twelve years of evidential channeling, orchestrated synchronicities and his amazing abstract art.

David teaches how to recreate the Diagram of Their Family Tree which explains the interconnectedness of Jesus and Mary Magdalena's family.

There are five places in the Bible where Jesus is called rabbi- and the prerequisite of becoming a rabbi is having a wife and children.

The bible says that Jesus was a carpenter, but how could he make a living in a land that has no trees? Isreal is a desert.
