“Coming Home” is a transformative four-week Sunday series and companion Wednesday evening class launching this October at Unity North. Rooted in the timeless, archetypal journey of the soul, this series addresses the deep inner longing that lives within every human heart. It is that restless, primordial urge that causes us to seek a “promised land”—a state of being that feels profoundly familiar yet distant.

Together, we will explore this sacred arc of consciousness: being at home, taking the journey into the world, and ultimately returning home. It is the universal story of paradise, paradise lost, and paradise found, mapped out week by week using the acronym H.O.M.E.
