

Unity North Healing Team Presents:

“Kitchen Table Healing with Myrtle”

Sunday, May 31 at 12:15 pm

In-Person at Unity North Spiritual Center

Join with our Healing Team as we sit at the kitchen table with Myrtle Fillmore (or imagine ourselves there)... Listen to some questions and answers about healing and ask some of your own.

Myrtle Fillmore’s healing was the spark that helped to ignite the Unity Movement. She practiced prayer, meditation, and positive thoughts to heal herself after she was diagnosed with terminal tuberculosis. Within two years, she was completely healed through her efforts and the power of Spirit.

Imagine yourself sitting at Myrtle’s kitchen table and listening to her wisdom. She answered countless letters through the years, which are accessible today. Join in community and feel the compassion and healing energy, and leave with greater awareness and answers to your questions.

We’ll see you there!

Community support for your spiritual path.
