The Bible is the most popular spiritual book available, and it is the most published book in history. It is important to know something about it!

It offers wisdom and healing if we make the effort. Join us for a fun overview, and experience some metaphysical interpretation “Unity Style.”

We will work with several stories to see how each person, place and event is an aspect of our consciousness and has a message for us today!

- Learn the difference between the Old and New Testaments.
- Discover how the Bible is a handbook of your evolution.
- Experience “metaphysical” interpretation.
- Develop a relationship between scripture and your own life.
- Find inspiration to help you on your path.
