

UNITY NORTH

Stone Soup Virtual Silent Auction

February 7 – March 7, 2022

Unity North is having a Virtual Silent Auction to raise funds for our hybrid audio & visual equipment, which cost \$5,500. Our goal is to raise this amount or something better!

“Stone Soup Virtual Silent Auction,” based on the folk tale, “Stone Soup”:

“There was a starving traveler who went door to door in a village looking for donations of food. When the poor villagers could not help, except one who provided water, the Traveler said, “We will make stone soup.” He pulled out his “magic” stone and put it into the boiling water, and as people gather around, they become enthused to contribute something to the soup: potatoes, carrots, onions, and more, all from different gardens. And on it went until everyone had added something and a delicious soup was made that fed the entire village.”

We know that all of the donations, bids, and purchases from this congregation and beyond can create a fabulous, successful silent auction that will benefit the entire Unity North spiritual community!

Please join us in realizing that vision!
